

Marine Corps Female Upper Body Strength Development 8 Week

This program has been designed to increase the upper body strength of female candidates. The program will take 8 weeks; lifting 3 days/week. Lift every other day to allow for muscle recovery (Ex. Mon/Wed/Fri). The objective of this program is to develop upper body strength not to tone. As the number of repetitions decrease, you must add more weight. If you have less than 8 weeks to prepare, start the program at Week 3 and complete as many weeks as you can.

Test Yourself in Pull Ups - to assess your current level of ability.

1st Test - WEEK 1/DAY 1

2nd Test - WEEK 4/ DAY 1

3rd Test - WEEK 6/DAY 3

4th Test - WEEK 8/ DAY 1

*Test your Pull-ups in the prescribed manner, then complete the given upper body workout for the day. **THESE NEED TO BE COMPLETED TO FAILURE!!!***
